

Judging report GrootGroenPlus 2019

Gold	Applicant	
Juniperus communis 'Lemon Carpet'	Schrauwen-Moerings vof, Sprundel	Uniformly grown, healthy-looking plants. Handsome foliage colours, not spectacular innovative, but with a great appearance.
Prunus laurocerasus 'Zsófi' (SOFIA)	Breederplants VOF, Gouda	Compact plants with narrow, typical dentate leaves. Relatively low-growing for a P. laurocerasus, pruned plants grow with 30-50 cm long branches. Good presentation.
Pyracantha coccinea 'Red Star'	Hoogeveen Plants BV, Hazerswoude-Dorp	Although thoroughly (but skillfull) pruned, these plants carry lots of fruits. Not very thorny, which is an advantage over other varieties. Visually strong.

Silver	Applicant	
Buddleja davidii 'SMNBDO' (ROCKETSTAR ORCHID)	Valkplant BV, Hazerswoude-Dorp	Attractive compact plants carrying relatively larges panicles. The plant-pot ratio is slightly out of balance. Rich-flowering an still producing new flower buds.
Callicarpa 'NCCX2' (PEARLGLAM)	Valkplant BV, Hazerswoude-Dorp	Handsome plants. The flowers go very well with the purplish foliage. Not many fruits present.
Chamaecyparis pisifera 'Paul's Gold'	Schrauwen-Moerings vof, Sprundel	Foliage slightly coarser than in other varieties. Nice yellow foliage colours, but not deeper yellow.
Hydrangea paniculata 'Frenne' (SKYFALL)	Handelskwekerij G. Hoogenraad B.V., Ederveen	Bushy plants. Rich-flowering with very attractive creamy white panicles. Well-presented.
Juniperus scopulorum 'Klaverjun' (BLUE IVORY)	Handelskwekerij G. Hoogenraad B.V., Ederveen	A "happy" plant, although the older plants are more attractive than the younger. Taste-dependent.
Sciadopitys verticillata 'Shine a Light'	Sprenkels B.V., Achtmaal	Attractive multi-coloured needles; these are not only (partially) white, but also have brownish tips. Plant for connoisseurs.
Thuja occidentalis 'Thucavlo' (TOTEM SMARAGD)	Handelskwekerij G. Hoogenraad B.V., Ederveen	Very compact, narrow upright plant shape with a conspicuous flattened top. Attractive fresh-green foliage.

Bronze	Applicant	
Morus rotundiloba 'Matsunaga' (BONBONBERRY MOJO BERRY)	Willy de Nolf NV, Waregem, België	Rich-flowering and carrying fruits on current years' wood. Rather broad upright plant shape and pale green foliage. Sufficient fruits present.
