

GrootGroenPlus 2023

Judging report

| Gold | Applicant | Score | |
|--|--|--|-----|
| Ficus carica 'LMF01' (LITTLE MISS FIGGY) | Van der Peijl Tuinplanten, Zundert / Handelskwekerij G. Hoogenraad BV, Ederveen | Good uniform plants, nicely grown and presented. Beautiful, healthy, foliage, deeply cut and graceful, very many, tasty fruits in the plants. Easy to propagate. Widely applicable, partly because of the edible fruits. | 8,7 |

| Silver | Applicant | Score | |
|---|--|---|-----|
| Ligustrum lucidum 'Bokrascreen' (GREEN SCREEN) | Behrends Jungpflanzen, Bad Zwischenahn, Duitsland | Plants nicely full and densely branched, a little less so at the base. Fresh dark green, healthy, leaves, slightly glossy. The young shoots still slightly bronze coloured. | 7,2 |
| Sarcococca hookeriana 'Purplerij1' (PURPLE GEM) | Boomkwekerij Robert Rijnbeek, Boskoop | Grows slightly more compact and forms less long shoots than 'Purple Stem'. Vigorous with healthy, dark green leaves and red twigs, many flower buds. | 7,4 |
| Thuja occidentalis 'Isiprim' (PRIMO) | Sierteeltkwekerij Kools, Deurne | Particularly graceful conifer that, despite its compactness, has good vigour. Healthy, no brown foliage present. | 7,1 |

| Bronze | Applicant | Score | |
|-----------------------------------|--|--|-----|
| Liquidambar styraciflua 'Jason' | L. Akkermans Boomkwekerijen, Maashees | Nice regular crown shape, not too dense, limiting branch breakage. Looks somewhat like 'Kirsten', but produces a purple autumn colour. | 6,5 |
| Pyracantha coccinea 'Orange Star' | Van der Sar-Vermaat, 's Gravenzande / Vromans Kwekerijen BV, Hilvarenbeek | Nice, visually attractive plants, no thorns present, many fruits, also on present years' wood. When not tied to a stick, the plants are more graceful. | 6,9 |
